

1000 KM VESPISTICA - 13 TH EDITION - TRACK

Here the route of 1000 km Vespistica divided into 4 main steps:

• MANTOVA > PERUGIA • PERUGIA > ROMA • ROMA > VITERBO • VITERBO > MANTOVA

1st and 3rd stage has been divided according to the "objectives" (CT - CO - CTO) that, from time to time, you will reach.

Starting from Mantova the first objective will not be Perugia C.O. but to reach Forlì C.T.; starting from Forlì the objective will be Perugia CO.

1st STAGE: MANTOVA > PERUGIA - Km 381 about

2st STAGE: PERUGIA > ROMA - Km 181 about

"ROMA BY NIGHT"

3st STAGE: ROMA > VITERBO - Km 90,7 about

4st STAGE: VITERBO > MANTOVA - Km about

IMPORTANT:

Maps are published with the main purpose of allowing the display of the official route and to facilitate and to allow competitors its study, analysis and thoroughness.

The use of maps is absolutely free: you can print the whole route or just some particular points (crossings city etc ...), you can copy the route on a map more detailed, take notes and produce printed material that can be of support to the official documentation that will be provided.

It is allowed to use any electronic devices (cell phones, smartphones, GPS, computer, navigation etc ...) in order to follow the path "mandatory" and reach set objectives (CT, CO and CTO).

[Go to page with tracks in .gpx format to load on smartphones and other devices that allow it.](#)

Organization has tested programs [EasyTrails®](#) for iPhone® and [My Trails®](#) for Android® that load the track (.gpx) and to control, through the "spot" locator, if you are taking the right road.
